Dear Shareholder

2026 Annual General Meeting

The Company will hold its annual general meeting at Trafalgar Court, Les Banques, St. Peter Port, Guernsey, GY1 3QL on 7 May 2026, at 10.00 a.m. (BST) (the *AGM*). The Notice convening the AGM of the Company and setting out the resolutions to be proposed at the AGM is set out at the end of this document.

The Company is proposing to renew its share buy-back authority, re-appoint its auditor, seek approval to disapply pre-emption rights for any share issuance of 10% or less (as is customary in the London listed investment fund market), re-elect all the existing Directors with the exception of Bilge Ogut, and amend the Articles in connection with the Board's decision to revise the existing remuneration limit for the Directors in the Articles. Ms. Ogut is retiring at the AGM and not offering herself up for re-election due to having taken a full-time executive position.

Information Regarding the Renewal of the Company's Share Buyback Authority

The Company is proposing to renew its existing general share buyback authority at the AGM, to allow it to purchase up to 14.99 per cent. of the Public Shares in issue (excluding shares held in treasury) immediately following the passing of the resolution. If approved by Shareholders and depending on market conditions, the Company's available capital, and other considerations, the Company may decide to utilise the share buyback authority to make further acquisitions of Public Shares in the market.

Information Regarding the Re-appointment of the Auditor

The Company proposes to re-appoint Ernst & Young LLP as auditor of the Company (the *Auditor*) at the AGM. As described further in the Annual Report, in 2025 the Company incurred expenses due to the Auditor of US\$301,500 in audit fees, US\$81,700 attributable to services related to the semi-annual review, and US\$488,049 in other permissible non-audit fees attributable to the Auditor's engagement in connection with the issuance of the 2030 €650 million Bonds and 2032 €500 million Bonds to provide a comfort letter for 2022, 2023 and 2024 financial statements and the 2024 and 2025 unaudited semi-annual financial statements included in the offering documents. Given the expedited timetable required for the bond issuances, the Auditor's prior audit of these financial statements and expertise in these matters, the Audit Committee concluded that the Auditor was able

to perform these non-audit services more efficiently than another accounting firm, resulting in substantial cost efficiencies for the Company.

Re-election of Directors

Shareholders will be asked to vote on the re-election of each of the five Directors who are retiring at the AGM and are being submitted for re-election in accordance with the Articles and corporate governance best practice as set out in the AIC Code.

In accordance with the AIC Code, the Board engaged Egon Zehnder as an independent external adviser to facilitate the evaluation of its 2025 performance. The external adviser assessed the effectiveness of the Board on key indicators of performance, including the Board's composition and diversity, the Board's agenda, governance, division of responsibility with its committees, interpersonal dynamics, the Board's understanding of its role, risk management, succession planning, stakeholder engagement and culture. The assessment was based on (i) a review of key Board documents, (ii) a series of interviews with Board members, the Company Secretary and Investment Manager personnel, (iii) a questionnaire survey of Board members and the Company Secretary, and (iv) an observation of a quarterly Board meeting.

The Board evaluation demonstrated that the Board continues to perform highly and is well run. The assessment noted that the Board comprises members with a diverse mix of skills and experiences, which enhances discussions and decision-making. It was observed that the Board has a strong culture of engagement and collaboration, proactive governance and transparency. Directors were considered to work constructively as a team and with the Investment Manager, demonstrating a strong understanding of their role and the Company's strategy. No material weaknesses in performance were identified in the assessment, and the Board has concluded that it operated effectively in 2025.

The biographical details of each Director submitted for re-election are set out on pages 30 to 32 of the Annual Report. As noted above, Bilge Ogut is retiring at the AGM and not offering herself up for re-election due to having taken on a full-time executive position. The Nomination Committee is currently engaged in a search process for a new prospective Director with the assistance of Egon Zehnder, and once an eligible candidate has been identified, the Board expects to appoint such person to be a Director after the AGM pursuant to its power set forth in Article 33.4 of the Articles, and such new Director shall hold office until the 2027 AGM at which time, they will then be eligible to be submitted for re-election. In accordance with the principles of the AIC Code, the Company is seeking to ensure that the Board maintains a balance of skills, experience, and length of service and knowledge of the Company. The Company believes that the combination of the Directors standing for re-election continues to provide the Board with valuable skills and perspective. The skills and experience of each Director, as summarised in their biographies, demonstrate why their contribution is important and how the contribution they make will continue to be important to the Company's long-term sustainable success. The Company will also seek to ensure that this balance is maintained following the conclusion of its ongoing search process for a new prospective Director.

Subject to the re-election of all the candidates submitted for re-election, the Board would comprise five members, four of whom are independent.

Disapplication of Pre-emption Rights

The Board is seeking Shareholder approval to disapply the pre-emption rights contained in Article 6.2 of the Articles so that the Board has the authority to allot and issue (or sell from treasury) up to 17,503,059 Public Shares (equal to 10 per cent. of the Public Shares in issue (excluding shares held in treasury) as at the latest practicable date prior to the date of publication of this document). Seeking such approval subject to the limits set out above is customary in the London investment fund market, and the Board will not necessarily act on the authority if conferred on them by the Shareholders under this resolution. The issue of shares (or sale from treasury) by the Company on a non-pre-emptive basis will also be subject to the additional qualification that the relevant shares must be issued for a

price (after the expenses of the issue) at least equal to the prevailing net asset value for the relevant class of shares.

Information Regarding and Reasons for the Amendment to the Articles

The Board is seeking Shareholder approval to amend the Articles to replace the individual cap for the remuneration of each Director per annum set forth in Article 34.1 thereof with an aggregated remuneration cap for all Directors. This change would allow the Board flexibility to offer competitive remuneration to future Director candidates, reduce the overall cap on remuneration paid to all Directors and bring the company in line with peers.

Following the recommendation of the Remuneration Committee, which engaged Alvarez & Marsal, an independent external remuneration consultant, to undertake a review of current fees for the Board Chairman and Non-Executive Directors, including relevant peer benchmarking studies, the Board determined that amending the Articles to replace the individual director cap of £150,000 with an aggregate cap of £1 million for all Directors would be in the best interests of the Company. In approving and recommending that the Shareholders approve this proposed amendment, the Board considered that (1) the proposed amendment would effectively reduce the current maximum for all Directors (assuming the maximum number of Directors permitted under the Articles were appointed - 9 x £150,000 or £1.35 million) (although the Board notes that Halit Coussin does not receive a Director's fee), (2) using an aggregated remuneration cap rather than an individual director cap would bring the Company into line with its peers, and (3) the proposed amendment would afford the Board greater flexibility to offer competitive remuneration to prospective Director candidates when recruiting in future, and would thus support the Board's succession planning.

For the reasons above, the Board notes that, if the Shareholders approve this proposed amendment, the Board intends to revise some of the individual remuneration rates for specific profiles of Director, including increasing the annual remuneration of the Chairman from £140,000 to £200,000. Notwithstanding the need for Shareholder approval in relation to the proposed amendment to the Articles, changes to individual remuneration rates for specific profiles of Director will continue not to require Shareholder approval.

Further information regarding the amendment to the Articles is set out in Section 3 of this document.

Business to be Proposed at the AGM

Ordinary business

The ordinary business proposed for the AGM comprises the consideration of and, if thought fit, the passing of the ordinary resolutions described below. Other than Resolution 4, the ordinary resolutions will require an ordinary resolution of the holders of all classes of Voting Shares voting together as a single class. Because Halit Coussin is a non-independent Director of the Company, Resolution 4 is a Specified Matter for the purposes of the UK Listing Rules, on which only the Public Shares may be voted.

1. To receive the audited accounts, the Directors' report and the Auditor's report for the year ended 31 December 2025;
2. To re-appoint Ernst & Young LLP, who have indicated their willingness to continue in office, as auditor of the Company (the *Auditor*) from the conclusion of this AGM until the conclusion of the next annual general meeting of the Company;
3. To authorise the Directors to determine the remuneration of the Auditor;
4. To re-elect Halit Coussin as a Director of the Company;
5. To re-elect Charlotte Denton as a Director of the Company;
6. To re-elect Andrew Henton as Director of the Company;
7. To re-elect Rupert Morley as a Director of the Company; and
8. To re-elect Jean Baptiste Wautier as a Director of the Company.

Each existing Director of the Company is offering herself or himself for re-election at the AGM with the exception of Bilge Ogut.

Special business

The special business proposed for the AGM comprises the consideration of and, if thought fit, the passing of the resolutions described below, all of which, other than Resolution 11(b), will be proposed as special resolutions which will need to be passed by a majority of not less than 75 per cent. of the total number of voting rights of the Shareholders entitled to vote on such resolution present, or represented, and voting at the AGM.

Resolution 9 (share buyback authority) is a Specified Matter for the purposes of the UK Listing Rules on which only the Public Shares may be voted and will require a special resolution of the Public Shareholders.

Resolution 10 (disapplication of pre-emption rights) will require a special resolution of the holders of all classes of Voting Shares.

Resolution 11 (amendment of the Articles) will require both a special resolution of the holders of all classes of Voting Shares, voting together as a single class, and an ordinary resolution of the Public Shareholders. Accordingly, this will be proposed as two separate resolutions - Resolution 11(a) which will require a special resolution of the holders of all classes of Voting Shares, voting together as a single class, and Resolution 11(b) which will require an ordinary resolution of the Public Shareholders. Each of Resolution 11(a) and Resolution 11(b) must be passed by the requisite majority in order for Resolution 11 to be approved.

Share buyback authority

9. To renew the authority to purchase up to 14.99 per cent. of the Public Shares in issue (excluding shares held in treasury) immediately following the passing of the resolution.

This resolution effectively renews the share buy-back authority that was given by Shareholders at last year's annual general meeting.

Any purchase of Public Shares by the Company pursuant to this authority will be subject to UK MAR, the UK Listing Rules, as well as all other applicable legislation and regulations.

The minimum price (exclusive of expenses) which may be paid for any Public Share under the authority is 5 per cent. of the prevailing net asset value of the Public Shares.

The maximum price (exclusive of expenses) which may be paid for a Public Share under the authority is not more than either: (A) the higher of (i) 105 per cent. of the average market value of the Public Shares over the five business days immediately prior to the day the purchase is made and (ii) the higher of the price of the last independent trade and the highest independent bid at the time of the purchase for any number of the Public Shares, in each case on the trading venue on which the purchase is carried out; or (B) such other price as may be permitted by the listing rules of any recognised investment exchange on which the Public Shares are admitted.

The authority will expire at the conclusion of the next annual general meeting of the Company or 18 months from the date of the resolution, whichever is the earlier, unless the authority is varied, revoked or renewed prior to such time. The Company may enter into a contract to purchase Public Shares prior to the expiry of the authority and the contract and the acquisition of shares under that contract may be executed wholly or partly after the expiration of the authority. Any Public Share bought back pursuant to the authority will be cancelled or held in treasury, at the discretion of the Board after consultation with the Investment Manager.

Purchases will only be made under the authority at prices materially below the prevailing net asset value per Public Share in circumstances in which the Directors believe such purchases will result in an increase in the net asset value per share of the remaining Public Shares.

Any share buy-back may be restricted by applicable legal, tax and regulatory constraints.

Disapplication of pre-emption rights

10. To approve the disapplication of the pre-emption rights contained in Article 6.2 of the Articles so that the Board has the authority to allot and issue (or sell from treasury) up to 17,503,059 Public Shares (equal to 10 per cent. of the Public Shares in issue (excluding shares held in treasury) as at the latest practicable date prior to the date of publication of this document).

Shares issued (or sold from treasury) pursuant to the disapplication will not be issued at a price (after the expenses of the issue) that is less than the prevailing net asset value per share of the relevant class. As the issue of shares (or sale from treasury) by the Company on a non-pre-emptive basis is subject to the additional qualification that the relevant shares must be issued for a price (after the expenses of the issue) at least equal to the prevailing net asset value for the relevant class of shares, the Board believes that an authority to issue new shares equal to 10 per cent. of the existing shares in issue (excluding shares held in treasury) is appropriate. This disapplication of pre-emption rights will expire on the date falling 15 months after the date of passing of Resolution 10 or the conclusion of the next annual general meeting of the Company, whichever is the earlier, and permits the Board to allot and issue shares (or sell shares from treasury) after expiry of the disapplication authority if it has agreed to do so beforehand.

Amendment to the Articles

11. To approve that the articles of incorporation produced to the AGM (the *New Articles*), be adopted, with effect from conclusion of the AGM, as the new articles of incorporation of the Company in substitution for, and to the exclusion, in their entirety, of, the Existing Articles.

These amendments will be effected by substituting the Existing Articles with the New Articles. If approved, the New Articles will take effect from the end of the AGM. This Resolution will be proposed as two separate resolutions - Resolution 11(a) which will require a special resolution of the holders of all classes of Voting Shares, voting together as a single class, and Resolution 11(b) which will require an ordinary resolution of the Public Shareholders. Each of Resolution 11(a) and Resolution 11(b) must be passed by the requisite majority in order for Resolution 11 to be approved.

Action to be Taken by Shareholders

A notice convening the AGM to be held at 10.00 a.m. (BST) on 7 May 2026 is set out at the end of this document and contains information as to how to vote.

Voting Rights

Each ordinary resolution of the Shareholders requires approval by a simple majority of the voting rights of the Shareholders entitled to vote on such resolution and present, or represented, and voting at the AGM.

Each special resolution of the Shareholders requires approval by a majority of not less than 75 per cent. of the total number of voting rights of the Shareholders entitled to vote on such resolution and present, or represented, and voting at the AGM.

Resolutions 4 and 9 are Specified Matters on which only the Public Shares may be voted.

Resolution 11 must, in order to be compliant with the Existing Articles, also be approved by an ordinary resolution of the holders of the Public Shares. Accordingly, Resolution 11 will be proposed as two separate resolutions - Resolution 11(a) which will require a special resolution of the holders of all classes of Voting Shares, voting together as a single class, and Resolution 11(b) which will require an ordinary resolution of the Public Shareholders. Each of Resolution 11(a) and Resolution 11(b) must be passed by the requisite majority in order for Resolution 11 to be approved.

In accordance with the Articles:

- (a) the Special Voting Share carries such number of votes on each matter put to a vote of the Shareholders (other than Specified Matters, matters for which a different rule is stated in the Articles or pursuant to applicable law) as is equal to 50.1 per cent. of the total voting rights of the aggregate number of Voting Shares in issue and entitled to vote on that matter;
- (b) each Public Share and Management Share shall carry such number of votes so that the aggregate issued number of Public Shares and Management Shares together carry, on each matter put to a vote of the Shareholders (other than Specified Matters, matters for which a

different rule is stated in the Articles or pursuant to applicable law), voting rights equal to 49.9 per cent. of the total voting rights of the aggregate number of Voting Shares in issue and entitled to vote on that matter; and

- (c) subject, at all times, to the 49.9 per cent. aggregate limit set forth in the preceding paragraph, each Public Share shall carry one vote and each Management Share shall carry such number of votes so that the total voting rights of the Public Shares and Management Shares in issue and entitled to vote on that matter shall be apportioned among such Public Shares and Management Shares pro rata in accordance with the respective net asset value of each class of shares as determined, pursuant to the Articles, by the Board for this purpose.

There are currently no Management Shares in issue. Each Public Share in the Company carries at all times one vote per share.

Documents Available for Inspection

Copies of the following documents will be available for inspection at the Company's registered office during normal business hours (excluding weekends and any bank holiday in Guernsey) from the date of publication of this document until the conclusion of the AGM and will also be available, as from the date of publication of this document, on the Company's website at www.pershingsquareholdings.com/materials/:

- (a) this document;
- (b) the Existing Articles; and
- (c) the proposed New Articles (together with a comparison document showing the changes to the Existing Articles).

The above documents will also be available at the AGM for at least 15 minutes prior to and during the AGM.

A copy of this document has been submitted to the National Storage Mechanism and will shortly be available for inspection at <https://data.fca.org.uk/a/nsm/nationalstoragemechanism>.

Board Recommendation and Voting Intentions

The Board believes that the resolutions to be proposed at the AGM are in the best interests of the Company and its Shareholders as a whole. The Directors unanimously recommend that the Shareholders vote in favour of the resolutions, as they intend to do, in each case, in respect of their entire beneficial shareholdings of 149,904 Public Shares, in aggregate representing approximately 0.09 per cent. of the total issued Public Shares (excluding shares held in treasury) (as at the latest practicable date prior to the publication of this document).

Forms of Proxy

Shareholders can appoint one or more proxies to exercise all or any of their rights to attend, vote and speak at the AGM. The quorum for the AGM is two or more Shareholders (one of which shall be PS Holdings Independent Voting Company Limited) present in person or by proxy, as applicable.

Shareholders will find enclosed a Form of Proxy accompanying this document for use at the AGM.

Public Shareholders should take special care to complete the Form of Proxy for use by Public Shareholders and return it to the correct location. Public Shareholders using CREST Voting or Proxymity should not mail/use the Forms of Proxy.

Shareholders are requested to complete and return the applicable Form(s) of Proxy accompanying this document in accordance with the instructions printed thereon, as soon as possible, but in any event so as to arrive not later than 48 hours (excluding weekends and any bank holiday in Guernsey) prior to the time allotted for the AGM. The lodging of a Form of Proxy (including an appointment via the CREST electronic proxy appointment service or Proxymity) will not prevent a Shareholder from attending the AGM and voting in person if they so wish. We encourage our shareholders to submit proxy votes in electronic form, and the results of the voting will be announced as soon as practicable after the conclusion of the AGM.

If you are in any doubt as to the action you should take, you are recommended to seek immediately your own independent financial advice from your stockbroker, bank, legal adviser, accountant, or other appropriate independent financial adviser.

Yours faithfully,

3. **AMENDMENT TO THE ARTICLES**

Resolution 11 proposes the amendment to the Articles set out below.

Availability of proposed amendment

A copy of the Existing Articles and a copy of the New Articles as proposed to be adopted with effect from conclusion of the AGM pursuant to Resolution 11 (together with a comparison document showing the changes to the Existing Articles) will be available for inspection at the Company's registered office during normal business hours (excluding weekends and any bank holiday in Guernsey) from the date of publication of this document until the conclusion of the AGM and will also be available, as from the date of publication of this document, on the Company's website at www.pershingsquareholdings.com.

Reasons for the proposed change to the remuneration limit of the Directors

The reasons for the proposed remuneration limit change per annum are set forth on pages 3-4 of this document.

Effect of proposed amendment to the Articles

The effect of the proposed amendment to the Articles is that while an individual Director may receive remuneration in excess of £150,000 per annum, the Directors in the aggregate may not receive remuneration in excess of £1 million per annum, effectively reducing the current maximum for all Directors (assuming the maximum number of Directors permitted under the Articles were appointed - 9 x £150,000 or £1.35 million) (although the Board notes that Halit Coussin does not receive a Director's fee).

Proposed amendment to the Articles

The proposed amendment to the Articles to amend the individual director cap of £150,000 to an aggregate Board cap of £1 million is to revise Section 34.1 as follows:

"34.1 The aggregate remuneration ~~of each Director~~of Directors shall not exceed ~~£150,000~~1,000,000 per annum or such other amount as determined by the Members at any time as approved by an Ordinary Resolution of the Voting Shares."

To consider and, if thought fit, to pass the following resolution which will be proposed as a special resolution of the holders of all classes of Voting Shares:

10. THAT, in accordance with Article 6.7 of the articles of incorporation of the Company (the *Articles*), the Directors be and are hereby authorised to allot and issue (or sell from treasury) up to 17,503,059 Public Shares (being equivalent to 10 per cent. of the Public Shares in issue (excluding shares held in treasury) as at the latest practicable date prior to the date of this Notice) as if Article 6.2 of the Articles did not apply to the allotment and issue (or sale from treasury) for the period expiring on the date falling 15 months after the date of passing of this resolution or the conclusion of the next annual general meeting of the Company, whichever is earlier, save that the Company may before such expiry make offers or agreements which would or might require shares to be allotted and issued (or sold) after such expiry and the Directors may allot and issue (or sell) shares in pursuance of any such offer or agreement notwithstanding that the power conferred by this resolution has expired.
11. THAT the articles of incorporation produced to the AGM, be adopted, with effect from conclusion of the AGM, as the new articles of incorporation of the Company in substitution for, and to the exclusion, in their entirety, of, the Existing Articles.

Resolutions 4 and 9 are Specified Matters for the purposes of the UK Listing Rules on which only the Public Shares may be voted.

Resolution 11 must, in order to be compliant with the Articles, also be approved by an ordinary resolution of the holders of the Public Shares. Accordingly, Resolution 11 will be proposed as two separate resolutions - Resolution 11(a) which will require a special resolution of the holders of all classes of Voting Shares, voting together as a single class, and Resolution 11(b) which will require an ordinary resolution of the Public Shareholders. Each of Resolution 11(a) and Resolution 11(b) must be passed by the requisite majority in order for Resolution 11 to be approved.

If, within half an hour after the time appointed for the AGM, a quorum is not present, the AGM will be adjourned for one day to 10.00 a.m. (BST) on Friday, 8 May 2026.

Information as to how to vote can be found in the explanatory notes below or contained in the notes to the Form of Proxy, which accompanies this Notice.

Attendance, Voting and Proxy:

Record date:

The record date for the AGM is 5 May 2026.

Attendance Instructions for Shareholders holding Public Shares through CREST or in certificated form

If you own Public Shares through CREST or in certificated form, you should use the attached Form of Proxy, which is labelled for use in respect of Public Shares held in CREST and in certificated form.

Whether or not you intend to be present at the AGM, you are requested to complete and sign the accompanying Proxy Form in accordance with the instructions printed thereon or to register the appointment of a proxy electronically. To be valid, the instrument appointing a proxy and the power of attorney or other authority (if any) under which it is executed (or a notarially certified copy of such power or authority) must be received by the Company's Registrars, MUFG Corporate Markets by no later than 10.00 a.m. (BST) on 5 May 2026 (or, in the event that the meeting is adjourned, 48 hours prior to any adjourned meeting (no account being taken of any part of a day that is not a working day)). The Proxy Form should be posted to the following address: PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL. The completion and return of the Proxy Form or the appointment of a proxy electronically will not prevent you from attending the AGM and voting in person if you so wish and are so entitled.

If you have any queries, please contact MUFG Corporate Markets on shareholderenquiries@cm.mpms.mufg.com or on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales. Different charges may apply to calls from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. The helpline cannot provide advice on the merits of the proposed resolutions nor give any financial, legal or tax advice.

CREST Voting

If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment services, as set out below.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & International Limited's (**EUI**) specifications and must contain the information required for such instructions, as described in the CREST manual. The message regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number –(RA10) by no later than 10.00 a.m. (BST) on 5 May 2026. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to

the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 34(1) of the Guernsey Uncertificated Securities (Guernsey) Regulations, 2009.

If you give voting instructions via CREST voting, you do not need to (and should not) complete the enclosed Form of Proxy.

If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 10.00 a.m. (BST) on 5 May 2026 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Information about Voting

Voting on all resolutions at the AGM will be conducted by way of a poll rather than on a show of hands. On a poll, Shareholders will be entitled to such number of votes as attach to their holding of shares in accordance with the Company's articles of incorporation as determined at the close of business on the Record Date.

1. A Shareholder is entitled to appoint one or more proxies to attend, speak and vote on his or her behalf at the AGM.
2. Giving voting instructions via proxy will not preclude Shareholders from attending and voting in person at the AGM.
3. An ordinary resolution of the Shareholders (or of a class of Shareholders) of the Company means a resolution passed by a simple majority of the voting rights of the Shareholders entitled to vote on such resolution present, or represented, and voting at the AGM.

5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the relevant resolution. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
6. The quorum for the AGM is two or more Shareholders (one of which shall be PS Holdings Independent Voting Company Limited) present in person or by proxy, as applicable. If, within half an hour after the time appointed for the AGM, a quorum is not present, the AGM will be adjourned for one day to 10.00 a.m. (BST) on 8 May 2026. The quorum at any such adjourned AGM shall be such Shareholder or Shareholders who shall attend in person or by proxy.

The proxy need not be a Shareholder of the Company. A Form of Proxy is enclosed with this Notice.

On a poll, Shareholders will be entitled to such number of votes as attach to their holding of shares in accordance with the Company's articles of incorporation as determined at the close of business on the Record Date.

To be effective, the original instrument appointing the proxy (together with any power of attorney or other authority under which it is executed, as the case may be, or a certified copy thereof) or a copy of the instrument appointing the proxy (together with a copy of any power of attorney or other authority under which it is executed, as the case may be) must be received by:
